

The image shows a screenshot of a software window titled "Publication Certification Target". The window has a menu bar with "File(F)", "Edit(E)", and "Help". It contains three main sections: "Publication Certification Target", "Your Profile", and "Evidence Condition".

The "Publication Certification Target" section has a "URL" field with the value "http://www.ibm.com" and a label "801" pointing to it.

The "Your Profile" section has a "Mail Address" field with the value "test@trialbm.com" and a label "802" pointing to it.

The "Evidence Condition" section contains several fields with labels pointing to them:

- "Term" field with value "10 days" and label "803".
- "Country" field with value "Japan" and label "806".
- "Accuracy" field with value "high" and label "804".
- "Age" field with value "20 - 30" and label "807".
- "Count" field with value "1" and label "805".
- "Job" field with value "No demand" and label "808".
- "Score" field with value "No demand" and label "809".

At the bottom of the window, there are two buttons: "OK" with label "810" and "Cancel" with label "811". A large label "800" is positioned to the right of the dialog box, pointing to the entire window.
